

# 2008/2009 Lions Community Challenge

An activity of the Lions NSW-ACT Save Sight and Public Healthcare Foundations

## *Wanted*

Citizens - female or male – between 18-30 years of age

## *The Challenge*

The Foundations issue a challenge to entrants who make a difference by working actively within their community, to organise fundraising and other events, for the Lions NSW-ACT Save Sight & Public Health Care Foundations, while promoting our aims, objects and purposes along with the work, service and history of the foundations, the [Lions Eye Bank](#) and the [Save Sight Institute](#).

### **Dear Club President**

I invite your club to take on the *Challenge*. Confucius said: It is more learned to walk a 1000 miles than read 1000 books. What better environment for a young person to experience and learn than accepting the *Challenge* and build up confident, organisation and people skills with support from all of us. Of course, not to forget the fun they can have too.

For full details of the *Lions Community Challenge* e.g. Challenge Awards, Aims, Purpose & Goal and Entrant Nomination Form, please visit <http://www.lionssavesightfoundation.org.au/> or contact Johanna Lam at 9895-0028 (w), mobile 0418-232-898.

*"We need you to help us, so that we can help you, so that you can help them"*
